Dear Sirs,

I received with appreciation your letter dated 03/01/2011 and the attached Annual Report of Turkish State Meteorological Service for 2009.

The report is valuable and gives us a good idea about the activities of your Service which integrated with the worldwide Meteorological activities to present excellent services to all the States.

Looking for mutual cooperation between our Services.

Accept Sir, the assurances of my highest consideration.

Sincerely yours

Abdulla Ahmed Al Mandoos
